## Working Student

### JOB DESCRIPTION

Our goals are to be here for our customers and to make them happy. As a Working Student for Aximpro®, you will play an important role and support our team, working in an environment where having fun is almost as important as getting things done. This position will enable you to take your first step into the world of marketing and be introduced to all aspects of the industry.

You will be involved in every phase of the process, from creating marketing campaigns on all channels to dealing with business partners to navigating the world of reporting.

We are a diverse international team with the ambition to achieve amazing things.

We offer flat hierarchies, personal accountability, and the freedom to develop your own ideas.

We provide continuous learning from and with experienced coworkers and mentors.

### YOUR RESPONSIBILITIES

- Communicate with our partners
- Relay customer needs and potential issues to help us to develop every day
- Help with content and translation management
- Support our project management team with the creation of briefings, reporting, and presentations

### YOUR PROFILE

- You are enrolled as a student
- You have solid knowledge of MS Office tools (Word, PowerPoint, and Excel)
- You are curious and motivated to learn new things and adapt to a fast-paced environment
- You are fluent in German
- You are fluent in English, both written and spoken

We champion diversity in every aspect of life. We encourage applications from all genders, all corners of the world, and all individual backgrounds.

### WHY AXIMPRO®

We offer an attractive working environment in a future-focused industry. The role and projects are varied and allow you to work independently within a small, young, and dynamic company with flat hierarchies and short decision-making paths. With us, you can fully contribute, develop your individual strengths further, and grow by facing new challenges.
